

Wisconsin Public Service – Meter Upgrade

Wisconsin Public Service has notified the Town of New Denmark they have contracted with Southern Cross to replace and upgrade existing electric meters within the Town of New Denmark. There should be little to no interruption in your service. The completed upgrade should take approximately 20 minutes. Should you have any questions or concerns about this project, please contact Southern Cross directly at (855) 594-6271.

Thank you – from the Town Board of New Denmark

Michelle Wallerius, Clerk/Treasurer
