Applicant agrees to comply with all applicable codes, statutes and ordinances and with the conditions of this permit; the issuance of the permit creates no legal liability, express or implied, on the state or municipality, and certify that all the above information is accurate. If one acre or more of soil will be disturbed, I understand that this project is subject to ch. NR 151 regarding additional erosion control and storm water management. I expressly grant the building inspector, or the inspectors authorized agent permission to enter the premises for which the permit is sought at reasonable hours and for any proper purpose to inspect the work which is being done.

NOTE: Building informational permit is required to be submitted prior to issuing a building permit

Approval conditions – Failure to comply may result in suspension or revocation of this permit or other penalties
