

TOWN OF NEW DENMARK PERMIT REQUIREMENTS

The following items are required to receive a building permit from the Town of New Denmark:
Please submit to the Town Zoning Administrator: Bill Hafs at hafsbza@yahoo.com

1. Copy of the Building Information Permit and proposed drawing and setbacks clearly noted on property site and a completed building permit application.
2. After Town Board approval:
3. Copy of County sanitation permit for new construction and/or additions to residential construction (is required by county)
4. Building plans detailed enough for construction (1 printed set and 1 electronic set to building inspector).
5. Erosion control plan and site plan.
6. A cross section outlining critical connections.
7. Fees paid prior to the beginning of construction. (Fees for new home construction ONLY to be determined by the building inspector and paid directly to Beining Building Inspection, LLC)

All other building permit fees for accessory buildings, additions, remodels, deck construction, or commercial permits shall be made payable to the Town of New Denmark:

Town of New Denmark
c/o Michelle Wallerius, Clerk/Treasurer
5993 W. Cherney Road
Denmark, WI 54208

Building Inspections: Inspections are required with a minimum of 48-hour notice. The purpose of a final inspection is to determine that minimum life safety standards have been met. Failure to call for inspections or covering items prior to inspection may result in delays and additional fees.
