

Beining Building Inspection

2023-2025 Fee Schedule

(Affective January 1, 2023 thru December 31, 2025)

| <u>Area Calculated</u> | <u>Fee</u> |
|---|---------------|
| Finished Area | \$.30/sq. ft. |
| Unfinished Area Garage, unfinished basement, crawl space, porch, deck | \$.10/sq.ft |
| Required Wisconsin UDC Permit Seal | \$40/permit |
| Base Permit Fee | \$150/permit |
| Required inspections in excess of 8 trips | \$75/trip |
| Re-inspection due to violation | \$75/trip |

Permit applicants will be charged the total fees associated with Finished Area + Unfinished Area + UDC Permit Seal + Admin. fee. A typical single family dwelling will require inspections of the footing, foundation wall, erosion control, electrical service, under floor plumbing, rough framing, plumbing, electrical, HVAC, insulation, and final inspection (prior to occupancy). These inspections can usually be conducted in 6-7 visits throughout the construction process. Additional building code information can be found on line at www.dsps.wi.gov

**Town of New Denmark charges \$100.00 Admin Fee (payable to the Town)*

*Additions or Alterations (if enforcement is required by the municipality, or if inspection is requested by the contractor, municipality, or home owner)...A \$75 fee will be charged for each necessary inspection. A typical addition or alteration project will require (4) inspections, including, but not limited to, foundation inspection, rough-in/framing inspection, insulation inspection, and final/occupancy inspection.

*Manufactured homes will be offered a 33% discount off the cost of the finished (manufactured) area.

*Permit fees double for any dwelling started prior to a state building permit being issued.
